

Sustainable Innovation 2019

Road to 2030: Sustainability, Business Models, Innovation and Design

22nd International Conference

4th – 5th March 2019

UCA Business School

Epsom, Surrey, UK

Matt Loose, Senior Director, SustainAbility, UK

Matt is a seasoned sustainability professional and has a track record helping major global companies advance their sustainability performance. Matt works with executive teams to understand the strategic implications of sustainability and develop approaches to build business value. He is an experienced facilitator.

Matt's work has spanned many sectors and a range of sustainability issues. He has lived and worked both in Canada and in the UK. Matt's recent work has included a significant focus on sustainable food and indigenous rights. Alongside client work, Matt has a broad portfolio of research and advocacy that includes sustainable food and sustainability reporting

Before joining the SustainAbility team, Matt was an owner and director of Canadian sustainability consultancy, Stratos. He has also held sustainability positions for Ernst & Young and Johnson Matthey. Matt is a member of the Global Sustainability Forum for ACCA, the global accountancy body.
